How do I manually claim my BNB reflections?
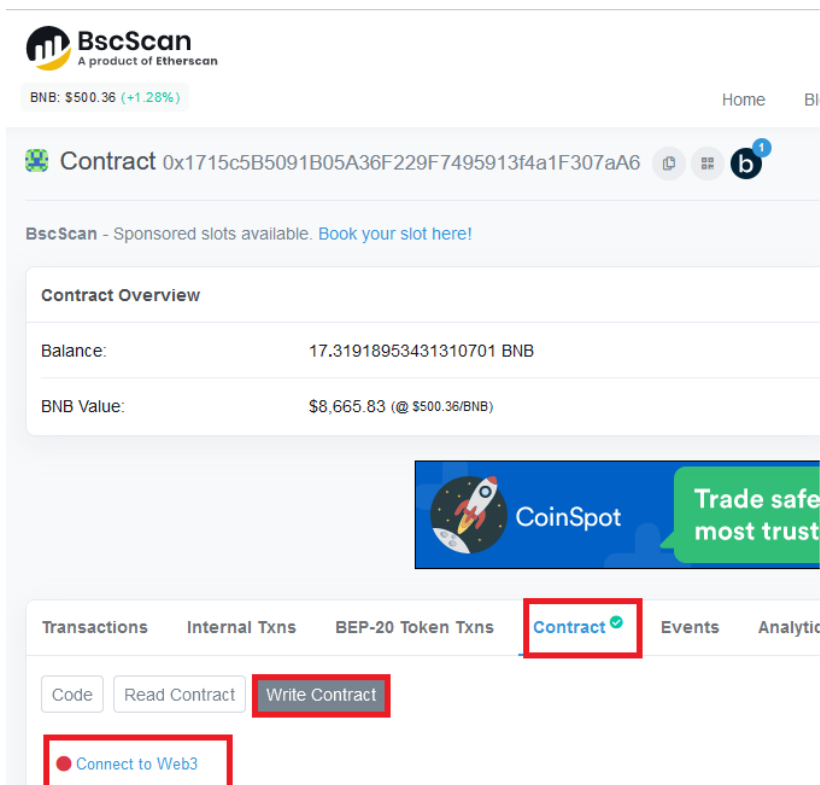

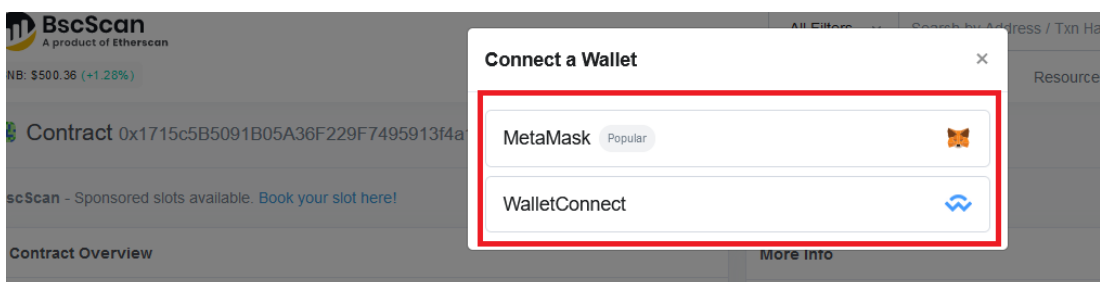

1. Navigate to the SuperFuel Reflector contract
    0x1715c5B5091B05A36F229F7495913f4a1F307aA6

    https://bscscan.com/address/0x1715c5B5091B05A36F229F7495913f4a1F307aA6#readContract
2. Select the Contract tab
3. Click on the Write Contract button
4. Click Connect to Web3

5. In the Connect a Wallet popup screen select either MetaMask or WalletConnect and follow the steps to connect your wallet. Make sure you select your wallet that is holding SuperFuel.

6. You can tell that you are connected because Connect to Web3 will have a green dot next to it
7. Scroll down to 3. claimDividend
8. Click Write

9. Follow the steps to confirm the transaction in your wallet

10. The BNB will be sent to your wallet
